Falcon GT Owners Club of N.S.W. Inc.

Proudly Keeping The Legend Alive for 35 Years!

Hi Members

Here we are in May already and we have had one run, it was to Martin and Mauriza Goff's place for our breakfast run, we had 16 members and the TE Club had 10, it was a good run only taking up half the day. The TE club had 1 couple come up from the ACT and 1 from QLD. It was good to meet other people with the same interest but different Fords. A big thank you to the Goff's for opening up their house for this run.

At our May meeting we talked about the elections coming up next month on 1st June (yes 1st June), **ALL** committee positions will be vacant so please come along and take a position (I can tell you from my experience in the last 2 years it is an honour to be part of it).

We have a concours car for All Ford Day, it is Michael Kelaher's phase I XWGT, we had 2 nominations at the May meeting and the members voted Michael's car in.

Talking about All Ford Day, we need you to let us know if you are coming with a car or more than one car, breakfast & lunch will be supplied if you bring a car for the driver and passengers...tickets will be given out on the Sunday morning in Ford Street, Eastern Creek at 7am till 7.30am. Hope to hear from you and see you there.

LAST REPORT FROM GEORGE DOROSZAK

I wanted to thank all our members for the support they have provided over the past couple of years, not only to me, but to Tony and Kathy.

After listening to some of the comments made by members, Tony and the committee decided to prepare and send out a questionnaire to find out what members thought and wanted and I believe the committee listened. A wide array of runs were organised so that these could fit in with what members asked for, and a big thank you to Tony and Kevin. We know that we can't please everyone, but we have tried.

I want to thank Tony very much for the hard work he has put in over the past couple of years. Tony together with Kevin have put together some great runs and a mix of runs, from breakfasts to lunches to dinners, so anyone who says the runs are boring hasn't attended many or any of the runs this year.

I also want to take this opportunity to thank Marilyn who has supported Tony over the past 2 years and both Marilyn and Tony have done a great deal of work behind the scenes for runs, the Nationals accommodation and the like, so thanks Marilyn your blood is worth bottling.

I strongly recommend all of you who haven't been involved with committee work to seriously look at being involved. I have found it extremely interesting and it isn't hard work and it is very rewarding to oneself at a personnel level.

I wish the next committee all the best and if you need help with your roles we are here to provide support and assistance.

Asta la vista!
