1 ELIGIBILITY

1.1 AGE OF VEHICLE

All vehicles must be a minimum of 30 years old. The final arbitrator for proof of age will be the Conditional Registration Scheme (CRS) Registrar and /or our club Executive Committee.

In this event, providing that the member had been a full member for at least 5 consecutive years, they will continue to qualify to have other (non-G.T.) qualifying vehicles on the CRS scheme, for as long as they remain a Current Member of the Falcon GT Owners Club of New South Wales Incorporated.

1.2.1 ASSOCIATE MEMBERS

Upon attending 4 events within a financial calendar year, Associate members will become eligible for the Conditional Registration Scheme. To maintain eligibility for the Conditional Registration Scheme, Associate members MUST ATTEND 4 CLUB EVENTS PER CLUB FINANCIAL CALANDER YEAR, or their registrations will NOT be renewed.

1.3 FGTOC APPLICATION FORM

CRS applications will only be accepted on the official FGTOC application form. Any changes of details (including Suburb of usual garaging) must be communicated to the CRS Registrar.

To qualify for the Conditional Registration Scheme, Associate member vehicles **MUST** be originally sold by the Ford Motor Company of Australia **ONLY**.

1.6 APPLICANTS ACKNOWLEDGMENT

2 USE OF CRS VEHICLES

Items described hereunder are those which a Club CRS registered vehicle may attend and be used for, and are intended as being the prime use of these vehicles. The CRS is very restrictive and only provides the vehicle with LIMITED access to the road network and limited compulsory Third Party Insurance cover.

2.1 VEHICLE USAGE

Vehicles covered by the CRS can only be used for events and purposes detailed in sections 2 and 3. All movements of the vehicle on CRS must be recorded in the owners CRS log book, in addition they must be recorded in the official ledger held by the CRS Registrar except as set out in 2.2 and 3.2.

Vehicles approved for and participating in the Classic Vehicle Log Book trial may be used for 60 days of general use (ie maintenance and personal use) each year, outside of club organised events. Each day's use must be recorded in a log book issued at a registry or service centre.

2.2 CLUB EVENTS

Club events shall be events as documented in the monthly newsletter. This also includes Combined Falcon GT Club events, shows and events conducted by registered Car Clubs (CFC, CMC etc) to which an official invitation has been received and documented in the Club official minutes. The CRS Registrar recommends that a copy of the News Letter etc is carried with you on these Club events for confirmation to RTA Inspectors or other Officials. Where a member wishes to participate in a Council or Charity event covered in clause 2.3 and the Club has NOT received an official invitation, the member must obtain permission/ approval from the Club CRS Registrar prior to the event occurring for the CRS vehicle to be used. These requests will be handled by the CRS Registrar on a one off basis and his/ her decision will be based on the individual merits of the proposed event.
